

THE FUTURE OF INTERNATIONAL TREATIES IN THE POST-PANDEMIC AND SANCTIONS ERA

[Register Here](#)

Sponsored by the ABA International Law Section Canada Committee

Tuesday June, 28 2022
11:00 AM EDT

The COVID-19 pandemic has impacted freedom of movement significantly. Russia's war on Ukraine has created a humanitarian catastrophe with millions of refugees and many nations have imposed sanctions. The effectiveness of international treaties has been cast into doubt and their future remains an open question.

A panel of immigration experts will discuss their perspective on the current state of treaties and mobility rights. Practical tips for business and travelers will be presented.
